SYMPHONIC BAND OPENS SEASON

An audience of well over 400 thundered approval of the performance of the Regional Symphonic Band under the baton of John Pandolfi on Sunday. The band played extremely well and the program was varied so that everyone would be pleased. Pleased they were. The band, as always, spoke with the great presence that never fails to thrill. Anyone who can witness their art and not be encompassed in the controlled power is too cool to be alive.

The program opened with the Thundercrest March. The band plays great marches superbly so the band captured the audience at once. For the classical music lover "Elsa's Processional to the Cathedral", a repeat from a previous performance, was excellent as was a rather involved five part "Chessboard Suite".

A piece by Erickson called "Chroma" was introduced as an example of contemporary college material. To the uninitiated ear it held little charm. No one will ever go home humming this one. The college advocate of disharmony would find it pleasing, no doubt.

This program spoke in many voices. Miss Ann Marguerite Michaud performed as harp soloist. The contrast between the great

collective presence of the band and the splendor of a magnificent instrument plucked by this slender girl was striking. An artist at 18, Ann Marguerite is surely headed for a distinguished career. She played to an audience hushed and rapt with her fingers coaxing her harp to sing in the voice of angels. Her first selection was an arrangement by her teacher at Julliard School in New York. Her second was a rendition of "Ave Maria". In response to a standing ovation, Miss Michaud returned to render an encore of "Ebb Tide" - so beautiful that the mind's eye could see the pebbles rolling in the shore wave.

Mr. John Atkinson was narrator and introduced the various selections. His wit and personality added a special flavor to the program that was extremely enjoyable. The band has always been most fortunate in this category. John Atkinson's voice of refreshing candor was most appreciated by all.

The band played the very popular "Raindrops Keep Falling on My Head", followed by a medley of Bacharach songs. The distinctive sound and style of the composer was a popular choice in the musical smorgasborg. As a finish, "Stars and Stripes Forever" was rendered in the grand booming style that John Phillip Sousa might have

well envied.

Mr. John Pandolfi and company raised the pressure in many a bloodstream in this smashing finale to a grand opening appearance. Just prior to intermission to the music of another great march, "Semper Fidelis," two snowmaids marched up and down the aisles with a banner announcing the Snow Ball to be held on December 5th. The gaily costumed Mary Ellen Days and Mary Ellen Sullivan sold tickets to the ball. It will benefit this Symphonic Band. The area is most fortunate to have this band and certainly the long list of sponsors on the program is eloquent testimony that people do know how fortunate they are.

The next appearance will be in December when the band will appear together with the Community Chorus.

At their regular monthly meeting held recently the Catholic Women's Club of Marion had as their speaker Mrs. Jennie Morgan, member of the National Citizens for Decent Literature, Inc., Executive Board. Mrs. Morgan spoke extensively about dissemination of pornographic material and availability of obscene material. She also showed slides concerning the material ruled obscene by individual states and later reversed by the Supreme Court. She advised anyone concerned to write their Congressmen to support Senator Dirksen's bill S. 1077.

Fr. Mullaney was commended for taking time out this spring and summer to transport by bus patients at Roland Thatcher Nursing Home in Wareham on enjoyable sojourns throughout this area.

SADNESS IS SOME THING GONE FOREVER

Every home is a collection of treasures, replaceable at great expense or irreplaceable at any price. There is no sadder day than the morning after the thief has left. You can protect your home against the ever mounting threat of robbery. Professional thieves can be stopped by a professionally installed alarm system. What the hoodlum fears most is noise that will attract attention and increase his chance of being caught. Many homes in this town are now protected. Some are wired directly to the police station where they are monitored 24 hours a day.

Benco Security Systems is your most experienced designer of alarm systems. We are consulted by banks, credit unions, department stores, school systems as well as private homes and have designed systems for all of these clients. We employ bonded, trained technicians and maintain 24 hour service in unmarked vehicles.

There are alarm systems in a wide range of prices to fit a great many different needs. Complete installation can be made within 2 weeks. We invite you to phone us or stop in at our modern showroom to discuss your needs. It may well be the best few minutes you'll ever invest for the peace and security of your family and the safety of your home and belongings.

If you have a neighbor with a system, ask him about it. The chances are that it was installed by Benco because we are one of the oldest, most experienced companies in this area. Service is important. We know it and are proud of ours.

Good Advice!

DEAR ABBY,

I'm desperately in love with a girl who has a strict uncle and who is leaving soon for the summer. I won't see her again for a long time. I have a long lost, millionaire aunt who suddenly has to enter my life and make things even more complicated. How can I let this girl know how I feel before she leaves my life forever? Please advise also as to what to do with aunt. Sign me,

DISTRESSED IN ENGLAND

P.S. Please answer directly as I have a friend who is also in dire straits.

DEAR DISTRESSED,

The only thing I can advise is that you go see "Charley's Aunt" at Old Rochester on November 20th. It may not solve all your problems, but at least you'll enjoy yourself watching how those boys solved theirs. Be sure not to miss the 8:00 curtain. Good

Seekonk Wins

36 to 22

The Old Rochester Bulldogs traveled to Seekonk Saturday to meet a team fresh off a win over Dartmouth. The Bulldogs put up one of their best efforts of the season against the fast, hard hitting Warriors. Offensive drives by both teams made this a great game for the spectator.

The Warriors went on the warpath immediately after receiving the ball. Ray Ventura scored from one half yard out. Bob Johnson swept end to make the 2 point conversion and the score was 8 to 0.

The Bulldogs came up with a thrill immediately. End Richie Silvia set the stage when he gathered in a Reilly pass for a 17 yard gain and first down on the Seekonk 45. Danny Sullivan galloped 45 yards to score standing up in his best run of the year. Tim Reilly threw a strike to Bill Knapton who scored the conversion. It was a new game at 8 to 8.

45 YARDS TO SCORE

Behind this mask there must be a smile as Danny Sullivan spots daylight and gallops 45 yards to score the touchdown that tied up the game in the first quarter. This was Sullivan's longest run of the year.

In the second quarter both teams stiffened defensively. Warrior quarterback Jerry Del Sesto plunged on a 1/2 yard keeper to score. The try for the extra points was by Ray Ventura and was missed.

The halftime show featured music by the marching bands of both schools and exchanges by the girls of the cheering squads. Both the O.R. band and the girls performed with the excellence they have displayed all sea-

Robert Johnson of Seekonk entering paydirt after a 10 yard end run in the third quarter. This was the Warriors' big quarter as they scored 3 TDs. Number 17 is Tim Reilly and 50 is Lincoln Brown.

son. Often the color and sound is taken for granted but behind it all is long hours of practice and the cheering squad, the pep squad and band under the direction of Gary Thomas can be proud of their appearances throughout the season which are appreciated by all the spectators.

The third quarter began with game a close 14 to 8 in favor of the Warriors but that team jumped into high gear as the Bulldog defense seemed to slump. The Seekonk team mounted a drive of 3 straight first downs climaxed when Alan Palumbo drove over the center for a touchdown from the 3 yard line. Del Sesto passed to Bob Harding for the 2 point conversion.

Old Rochester stalled and was forced to punt.

The Warriors took the ball to the 10 yard line in their series of downs. Jerry Del Sesto passed to Bob Johnson in the end zone for the T.D. In the conversion it was Del Sesto to Geoffrey Rowntree for 2 points.

Old Rochester was unable to sustain a drive and was forced to give up the football again.

The Seekonk team capped their next drive with a 20 yard screen pass - Del Sesto to end Martin Harding to score again. Ventura was stopped in his try to convert.

The Warriors played their reserves in the final quarter. The Bulldogs came back to score twice on two fine Tim Reilly passes. The first was a 20-yard pass to Richie Silvia for a touchdown. The point try failed. The second was a 40 yard bomb to Silvia for a touchdown. The final score was 36 to 22 in favor of Seekonk.

QUARTERBACK TURNS IT ON

Tim Reilly tucks the ball under his arm and takes it for a ride in this third quarter action. Also shown in the picture are Seekonk's Robert Goodman, 53; O.R.'s Paul Reilly, 88, and Seekonk's Mark Whitworth, 23.

Tim Reilly had a good day. His passes were right on the money and he ran for lots of yardage. With protection, Tim would show as one of the best quarterbacks in the Narry League. He also was a standout on defense. Knapton played a good game both ways. Danny Sullivan had his best day of the season. Paul Reilly and Richard Silvia both performed well for the Bulldogs. Ralph "Whitey" Wordell was forced to leave the game after an injury and was taken to the hospital.

For Seekonk, Del Sesto, Johnson, Macaloon, Rowntree and Palumbo provided an impressive offensive punch. Stuart, Harding and Emond were outstanding for the defense.
